Navigation. Our Story, Ciders, Releases and The Club in the header, with a “Find a can near you” button on every page. A ticker along the top carries current news.

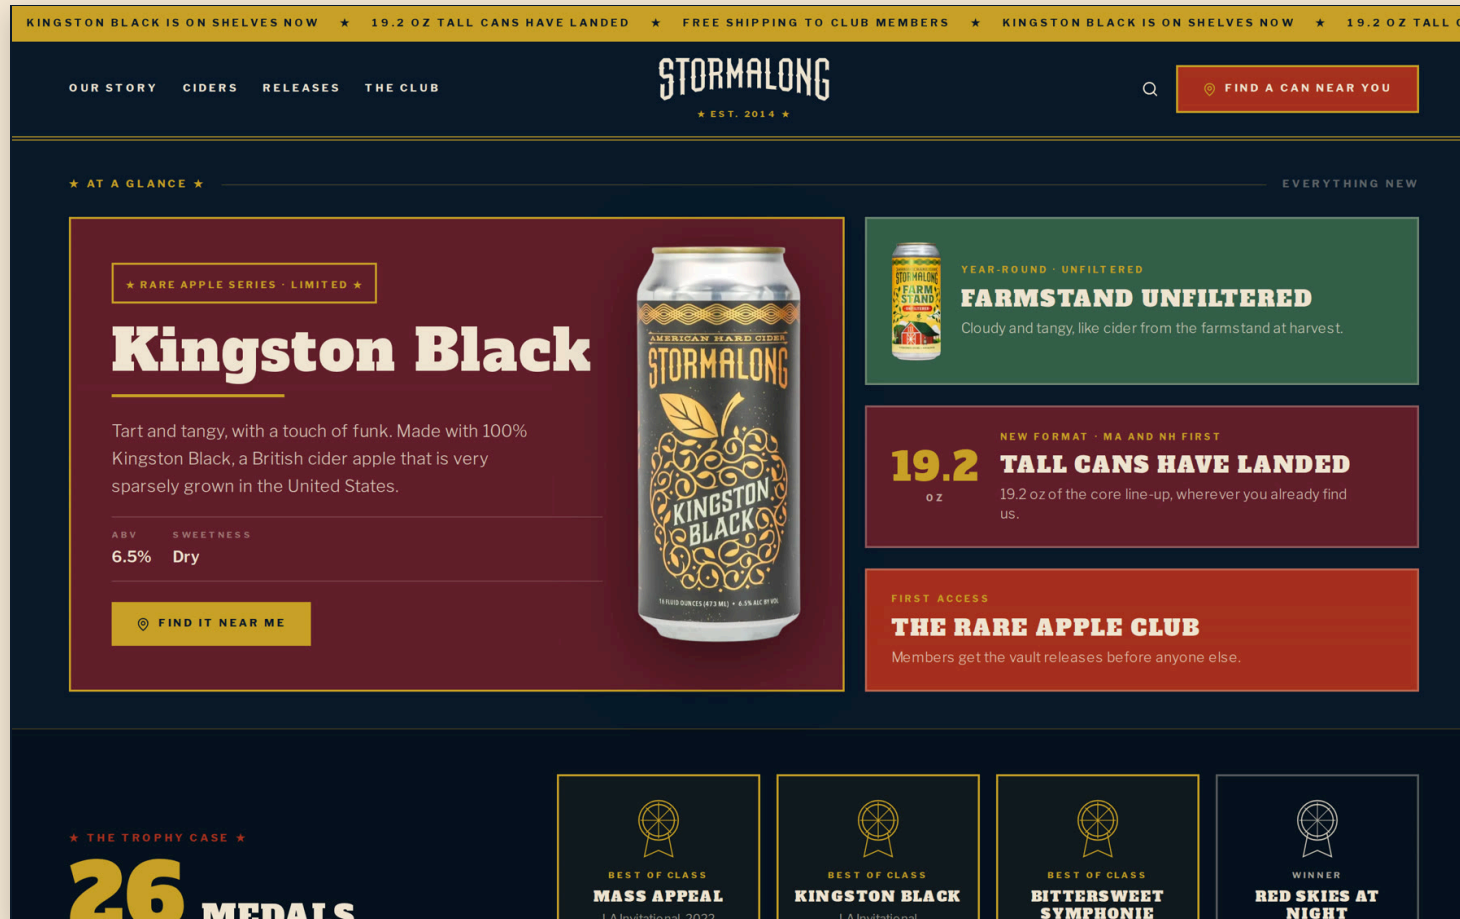

Built for phones. Every page adapts to mobile with a menu button. Each walkthrough page shows the mobile view on the right.

Fast. Every page is prebuilt ahead of time, so pages load quickly and search engines can read them.

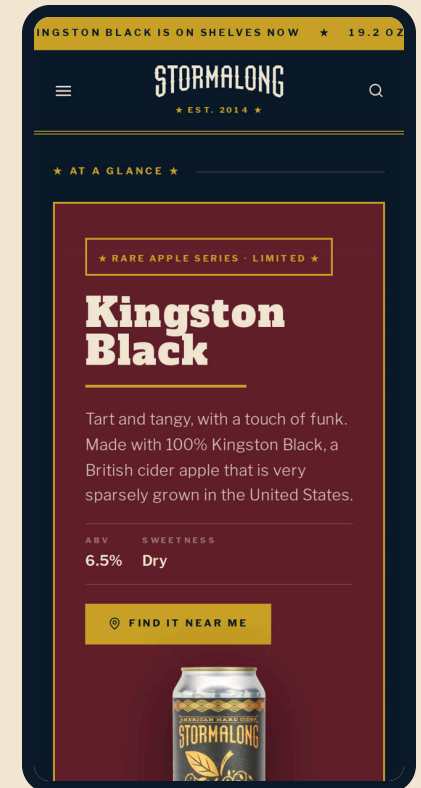

Every page ends with a next step. Each one closes with a “Know which one you want? Find it” prompt and an email sign-up in the footer.

1. Home

DESKTOP

MOBILE

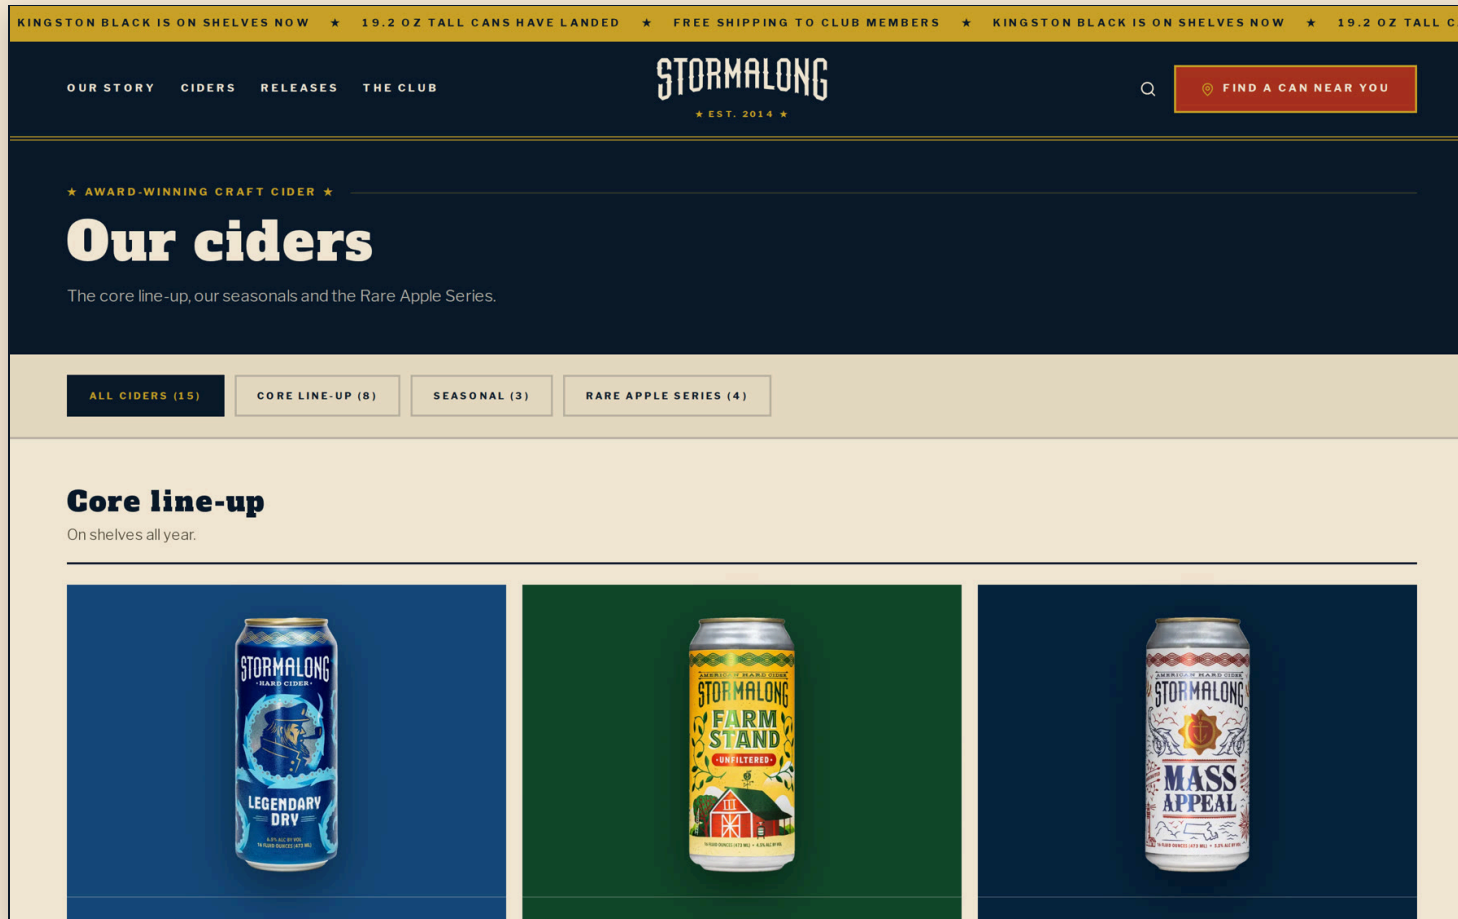

- An “at a glance” panel leads with the newest release (Kingston Black) plus year-round, tall-can and club callouts.
- Trophy case: 26 medals across 8 ciders and 7 competitions.
- “Where to start” — six core ciders with ABV, sweetness and apple count.
- Find-a-can band (MA, NH, RI, CT, ME, VT) and a Rare Apple Series teaser.

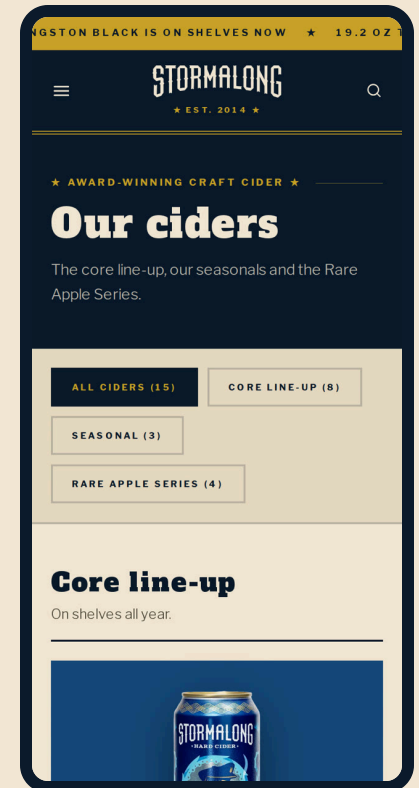

2. Our Ciders

/ciders

DESKTOP

MOBILE

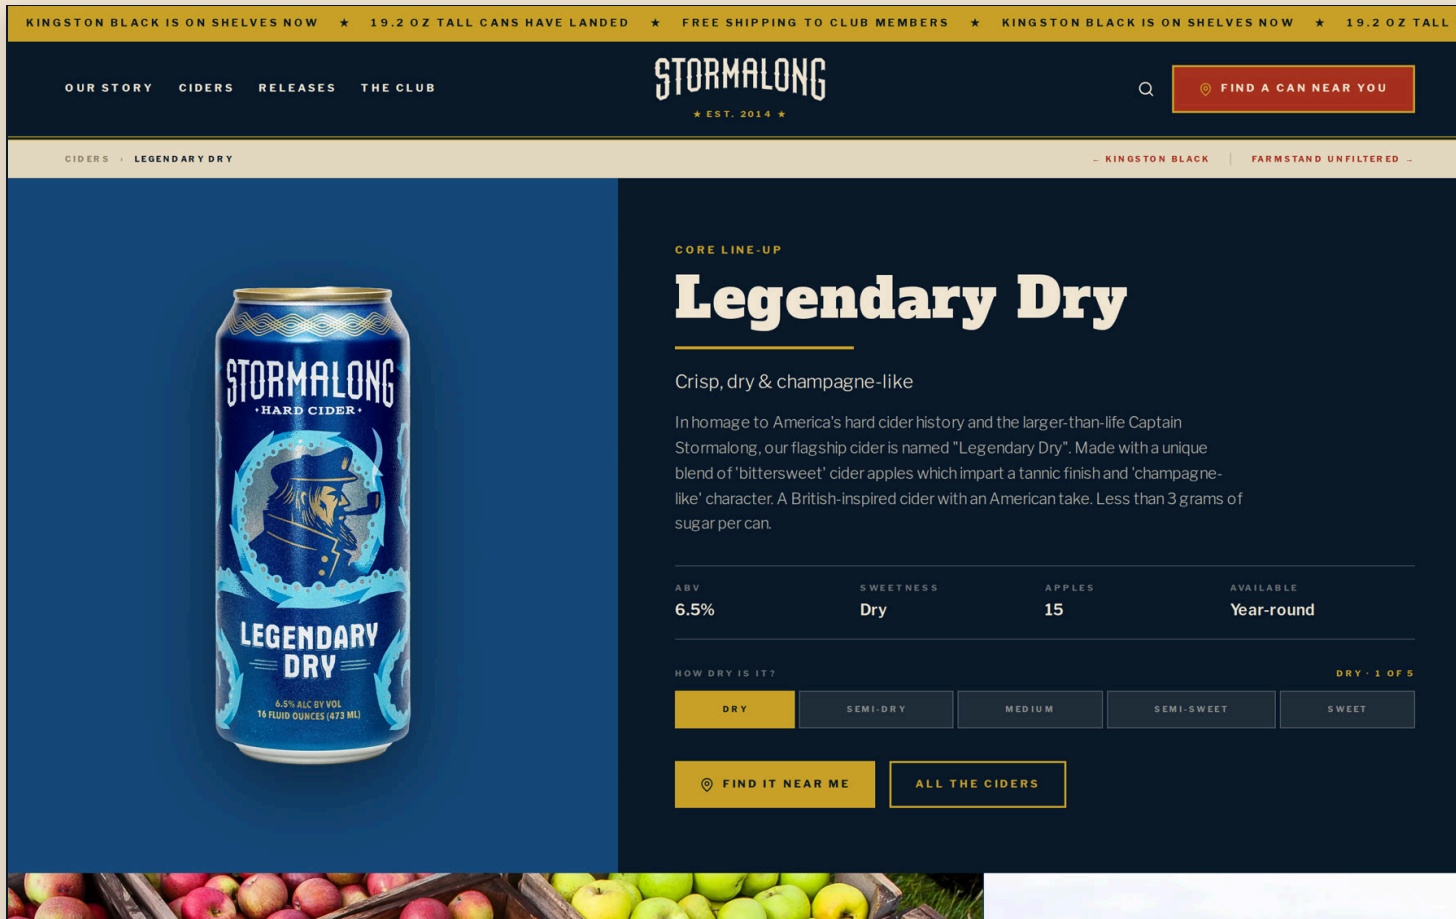

- All 15 ciders in one place, grouped as Core line-up (8), Seasonal (3) and Rare Apple Series (4).
- Filter tabs at the top jump between groups.
- A "How dry is it?" chart ranks every cider from driest to sweetest.

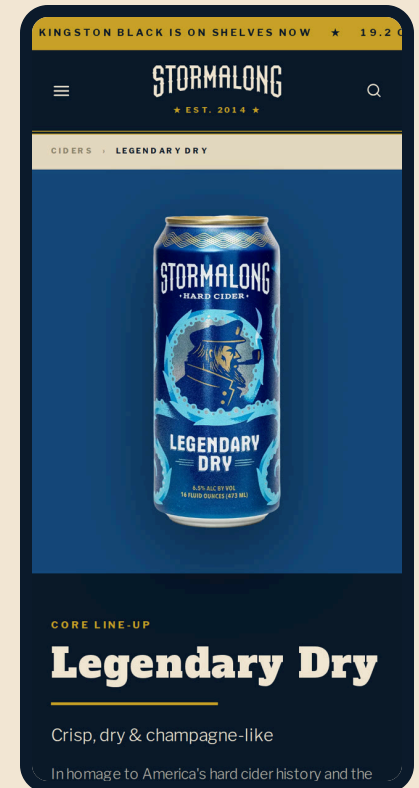

3. Cider detail (e.g. Legendary Dry)

/ciders/[name]

DESKTOP

MOBILE

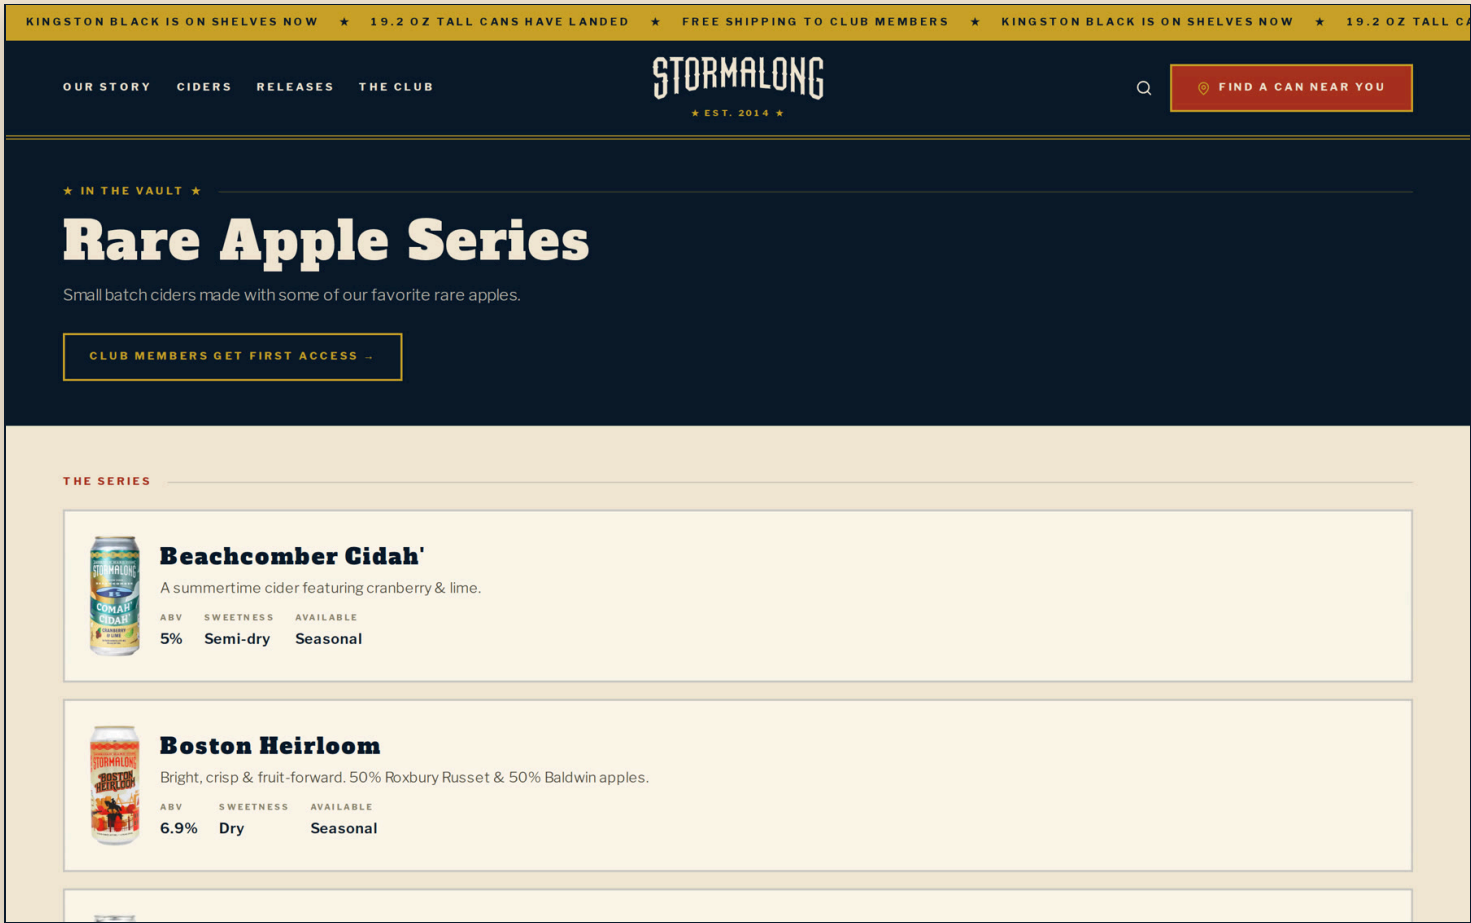

- Every cider gets its own page, prebuilt so it loads fast and shows up in search.
- Story, ABV, sweetness, apple count, availability and a dry-to-sweet scale.
- Photo gallery, that cider's medals, the full list of apple varieties, and previous/next navigation.

4. Rare Apple Series

/releases

DESKTOP

MOBILE

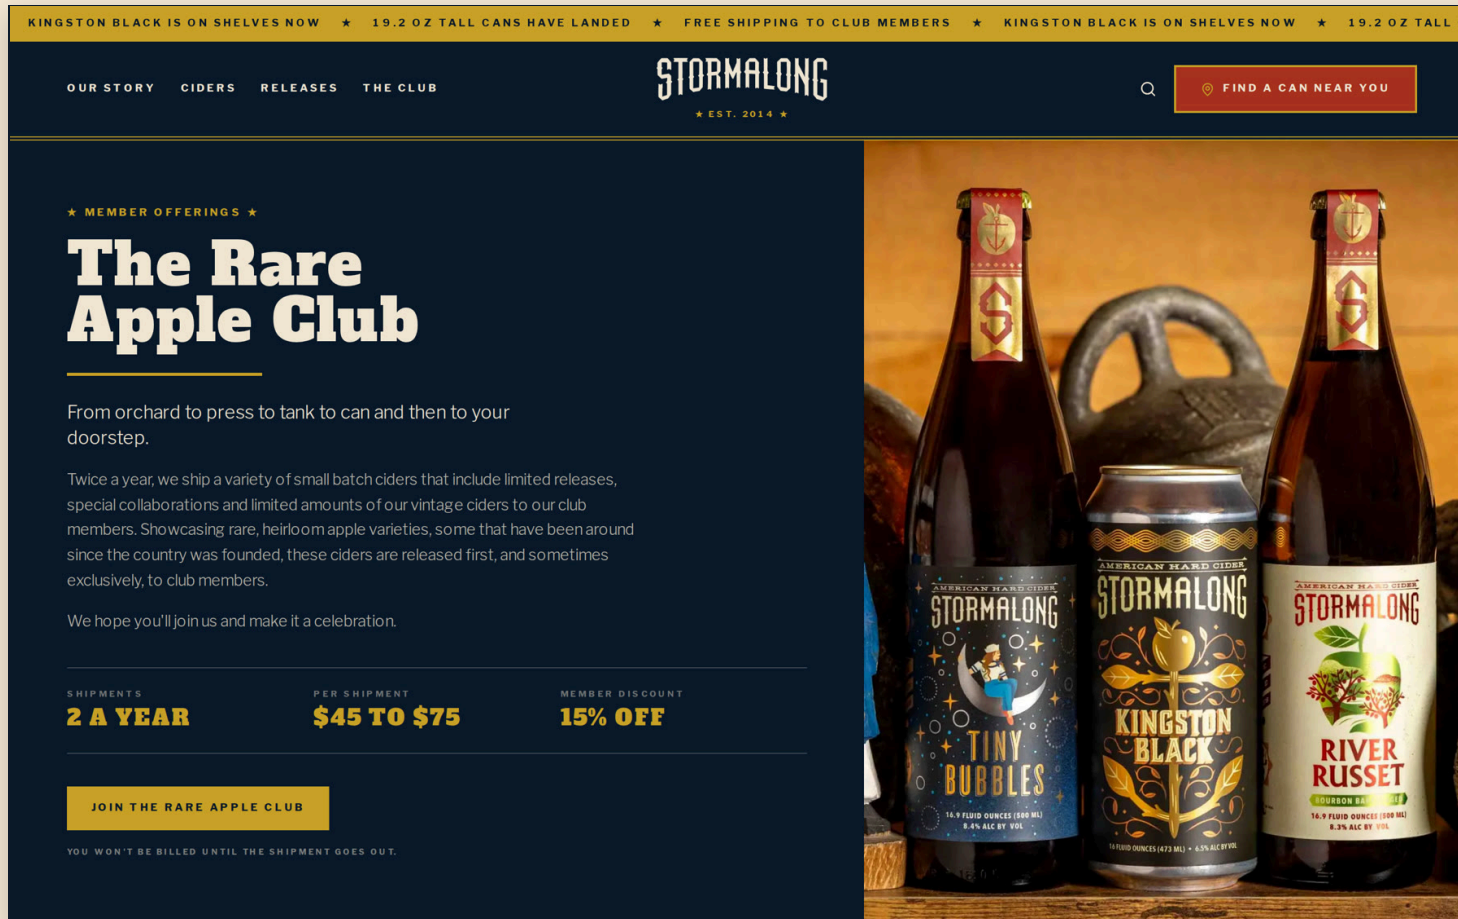

- The small-batch heirloom-apple line: Beachcomber Cidah', Boston Heirloom, Grand Banks, Kingston Black.
- “Why they are rare” explains the heirloom-apple story.
- Email sign-up and a push to join the club for first access.

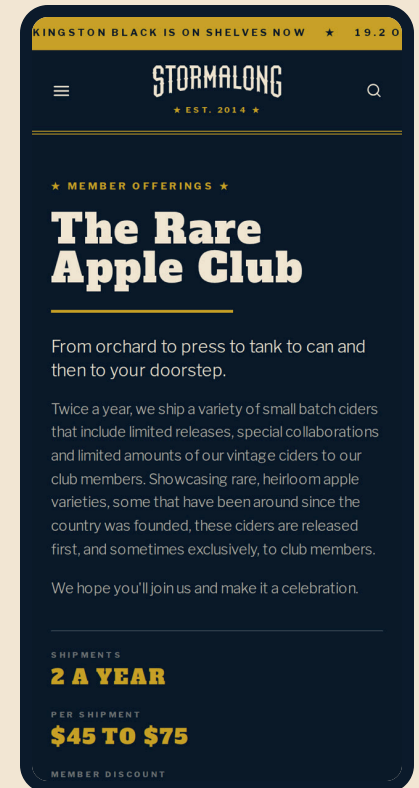

5. Rare Apple Club

/cider-club

DESKTOP

MOBILE

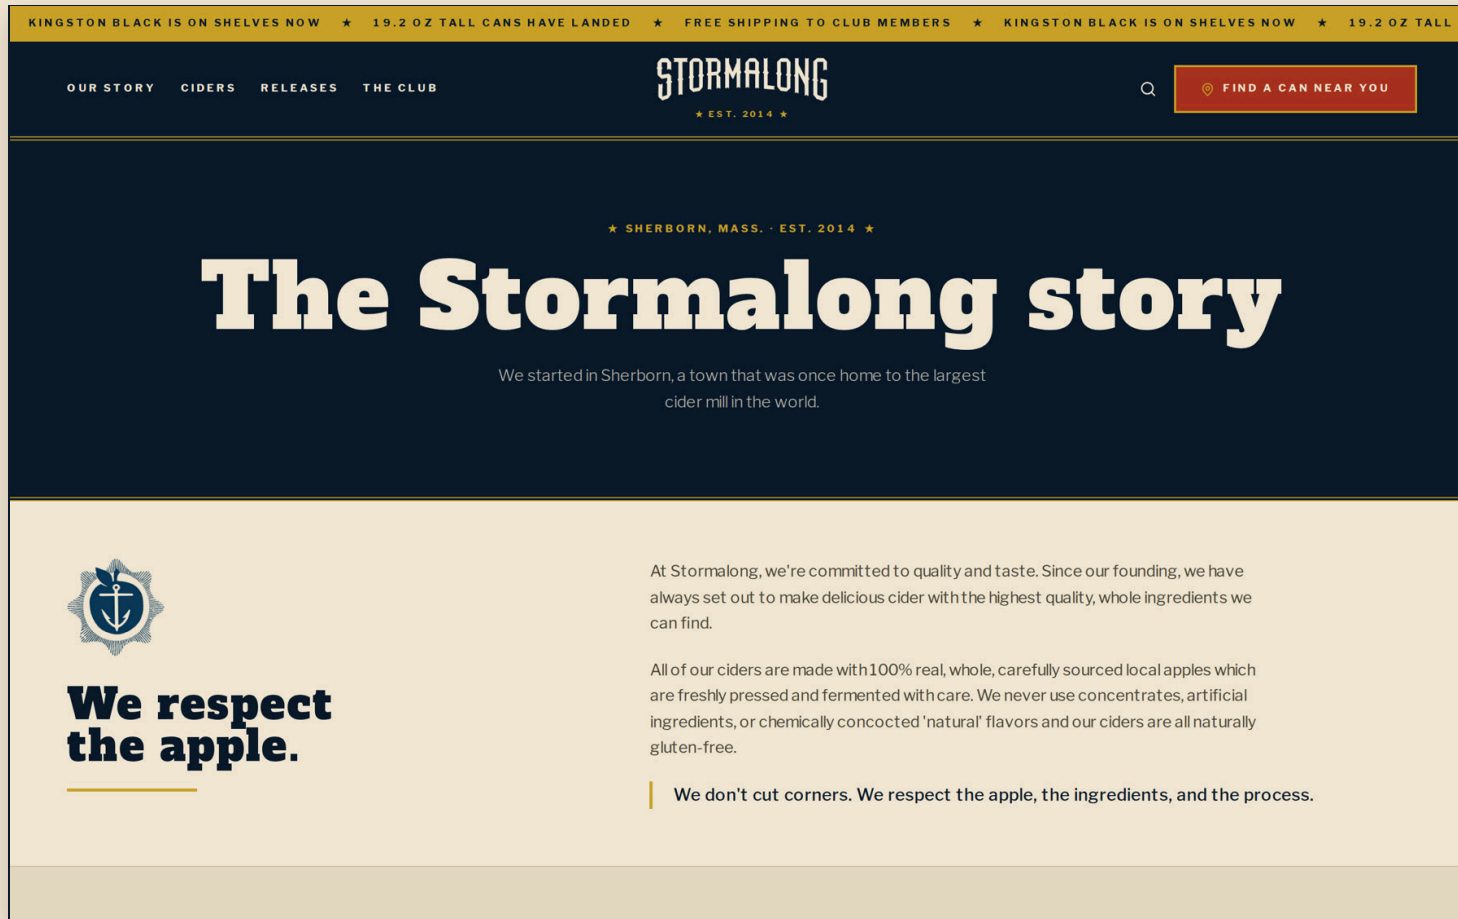

- Membership: 2 shipments a year, \$45–\$75 each, 15% off all orders.
- What's included (first access, exclusives, discount) and subscription terms.
- Joining is by email for now; an email-only "not ready to commit?" option is also offered.

6. Our Story

/our-story

DESKTOP

MOBILE

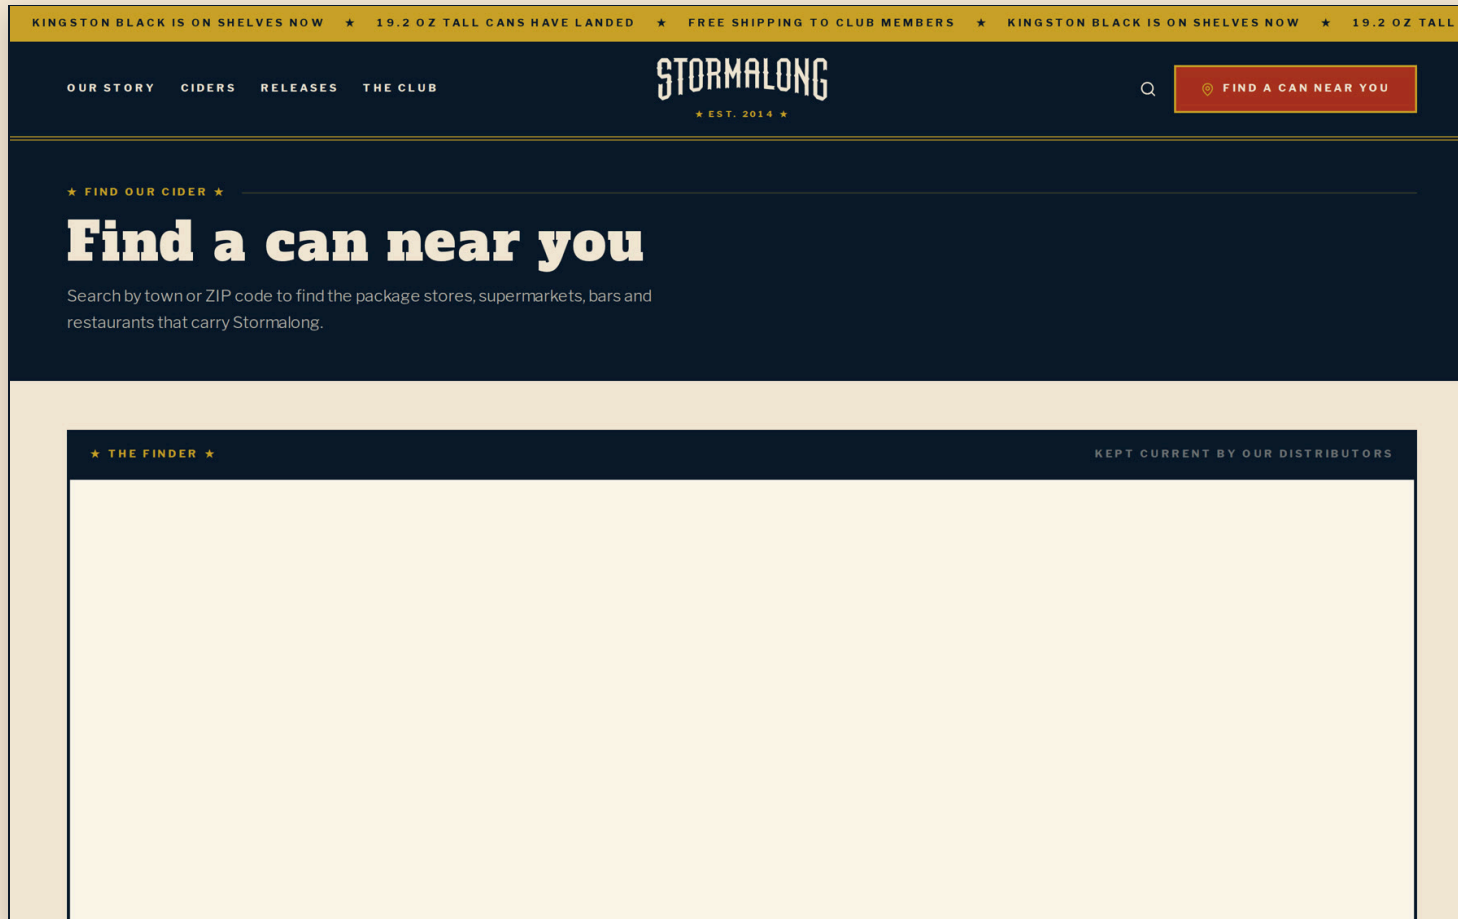

- “We respect the apple”: 100% fresh-pressed, no concentrate, gluten-free.
- Founding in 2014 and Sherborn, MA's history as home of the world's largest cider mill (1880–1930).
- The legend of Captain Alfred Bulltop Stormalong, the name on the can.

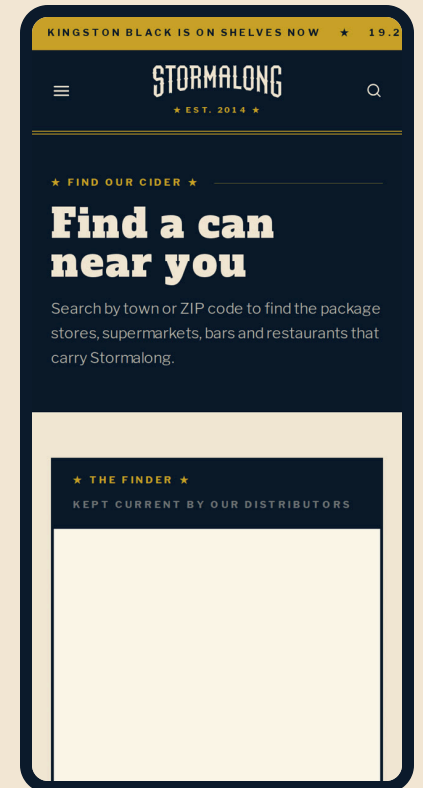

7. Find our cider

/locator

DESKTOP

MOBILE

- Dedicated store/bar finder page with help for anyone who can't find a can nearby.
- Note: the distributor's store-finder map isn't plugged in yet, so the frame is blank in these screenshots.
